

1           Of course this item runs into many, many more  
2 millions of dollars than does the use assessment type  
3 thing we are talking about.

4           So any provision like this is subject to con-  
5 troversies.

6           THE CHAIRMAN: Delegate Macdonald.

7           DELEGATE MACDONALD: The matter you just  
8 mentioned is not mandated, is it?

9           THE CHAIRMAN: Delegate Case.

10          DELEGATE MACDONALD: I mean, you don't recommend  
11 that that matter be mandated, do you?

12          THE CHAIRMAN: Delegate Case.

13          DELEGATE CASE: No, it is not recommended that  
14 it be mandated but by the same token, as I said earlier, the  
15 only way it could be mandated would be to require equaliza-  
16 tion of exemptions and for the reasons I stated earlier,  
17 this is found to be impractical.

18          THE CHAIRMAN: Delegate Needle.

19          DELEGATE NEEDLE: Delegate Case, you mentioned  
20 that the first sentence in paragraph B of Section 8.01  
21 had not yet been considered by this Convention. That is
